

30% off Surface 3 bundles for Education

Surface brings all the best tools for teaching and learning together in one device. It has the full power of a laptop in a lightweight touchscreen tablet form. And, with best-in-class digital inking capabilities, Surface can replace pen and paper in your classroom.

Pen and paper. Evolved.

Surface provides a precise, on-screen digital pen input that enhances student learning through handwritten note taking.

Any learner, any age

Cater to any learning style or any age – whether it is a second grade student tracing letters on the touch screen, or a college student typing essays.

Ultra mobile

Surface supports anytime, anywhere learning. Surface is lightweight and thinner than most books—making it easy to carry and study with anywhere.
